Dear Parent/Guardian

In 2016, Oatley PS P&C launched a school Building Fund to raise money for the construction, improvement and maintenance of school buildings. Thanks to the enormous generosity of our school community, we were able to donate $9,000 towards new shelving in the Library.

This year, we would like to top that, and donate $20,000 to the following projects identified by our Principal, Mrs Hunter, as having the greatest impact:

- Ventilation of the school hall
- Covered walkways from demountables
- “G Block” classroom roof repairs

But we need your help! The P&C would be grateful if you would consider donating to the 2017 Building Fund. See the attached form for more information.

Building the future with spirit is about contributing what you can – gifts large and small are all received with thanks. All donations greater than $2 are tax deductible and can be made at any time throughout the year.

Our target is $50,000 over three years; however, we may raise more or less than that amount. Exactly where the money will be spent will depend on the funds received.

While the State Government provides a budget for the school, the funds only cover the running costs, and do not extend to the replacement and/or refurbishment of facilities. The standard of facilities that the students can enjoy now and into the future will be built on the generosity of current and past families and the school community.

If you have any questions please email OPSbuildingfund@gmail.com

Please note that payments are not processed by the school office staff; they are passed directly to the P&C.

Thank you for your support.
